S E N I O R S

TO THE CLASS OF 1959—

"Do your best to present yourself to God an approved workman who has nothing to be ashamed of." (Paul) For four years you have been challenged, as you were encouraged by teachers, parents, and fellow students to give your best in application and workmanship, toward a successful completion of your secondary education. The degree with which each of you has responded varied according to clearness of conviction and vision. Achievement for each has been according to faithfulness in daily response to the task at hand. Your diploma is an evaluation of your academic success at Western in terms of your teachers' standards. Patterns and habits of thought and work have been formed by you. Now as you anticipate life from a new viewpoint, you are characteristically optimistic and full of expectancy. Let me remind you that basically life from now on will be no different from the past four years. As individuals you will continue to vary in your application and workmanship. Success will continue to depend largely on clarity of vision and strength of conviction. Achievement will still continue to be measured in terms of faithfulness. The words of Paul will continue to be even more urgent and challenging. There will be a diploma at the end of life which will indicate the measure of your success in terms of God's standard. If you, by God's grace, "Do your best to present yourself to God an approved workman who has nothing to be ashamed of" then your diploma will be "Well done, thou good and faithful servant". This is my greatest desire for you, the Class of 1959. May God bless each one.

Sincerely,

Paul E. Yoder

FIRST & SECOND SEMESTER CLUB

HIGHLANDERS CLUB

Highlanders Club, is a club of all sophomore girls.

Since this club is so active, and was the only one interested enough to reorganize the second semester, proves it is the most popular club on our campus.

With their energetic sponsor, Twila Zimmerly, the club has had many enjoyable times together.

The club took a week-end trip to the coast, planted flowers on the campus, built an outdoor fireplace, took nature hikes, and many other worthwhile activities.

Salem, Oregon

Best selections of Bible's, books and records.

Clearing land for the first building on Western's Campus; the old Administration building: which paved the way, fifteen years later, to the building of the new Administration building.

By faith far-sighted leaders dared to have a vision of a school where young people could gain a Christian education.

By faith they obtained forty acres of wilderness in the heart of Oregon - and by hard work - carved beauty out of chaos.

By faith a dedicated faculty came to teach - not for money but for the love of God.

By faith students came, learned, grew in spiritual stature, and graduated to serve their Lord in the ends of the earth.

By faith Western builds, progresses, dares to dream, conserves, expends, expands teaches, grows, endures.

AUTOGRAPHS

"OUR FATHER WHO ART IN HEAVEN.....

AS WE LOOK BACK ON THIS SCHOOL YEAR, WE
KNOW AND FEEL IT WAS A GOOD YEAR.

WE CANNOT LIVE IN THE PAST, BUT WE CAN
LOOK INTO THE PAST, FOR WE CAN NEVER
FORGET DEAR MEMORIES.

AND MAY THE GOALS WE HAVE STARTED THIS
YEAR, CONTINUE THROUGHOUT OUR
YEARS; UNTIL THEY ARE, NOT ONLY
REACHED....BUT SECURED, THROUGH
JESUS CHRIST OUR LORD.

IN HIS NAME WE PRAY. AMEN. "
